MARYLAND

HB 345 implements Election-Day registration so voters can register and vote on Election Day

Election-Day registration (EDR) is helpful for young people and students who move often and need to update the address where they are registered to vote

FLORIDA

SB 602 allows preregistered 17-year-olds to vote in primaries if they will be 18 by the general election

This makes sure new voters eligible for the general election also get to participate in the primaries that will inform the general election

TEXAS

SB 284 adds student ID as an acceptable form of voter ID

This considerably lifts the burden of complying with TX strict voter ID law for students
