

Conducting a Voter Registration Drive in New Jersey

Voter Registration Deadline
21 days before Election Day

Getting Started

Training Requirement: New Jersey does not require training for registration drives.

Notification and Registration Requirements: New Jersey does not have notification requirements for registration drives.

Compensation Restrictions: Do not pay registration drive participants based on how many registrations they collect.

Obtaining Applications

State Form: Both county-specific forms and a state-wide form may be downloaded from the [New Jersey Department of State website](#).

You can request registration forms from the Division of Elections by calling 609-292-3760 or emailing Feedback@sos.nj.gov.

Federal Form: The [federal mail-in voter registration application](#) may be used in voter registration drives.

Photocopying Blank Forms: Blank applications may be photocopied and used in voter registration drives.

Handling Applications

Incomplete Applications: A person may assist an applicant who is unable to personally complete a form. Individuals who provide assistance must enter their name in the appropriate section of the application. Do not fill in any missing information on a registration form unless you have permission from the applicant.

Photocopying Completed Applications: There is no law or rule prohibiting photocopying or retaining information from completed registration applications. **A voter's date of birth, signature, full or partial Social Security Number, and driver's license number should be removed before copying any application.**

Submitting Applications: Voter registration applications received in a voter registration drive should be submitted as soon as possible but must be received by the Division of Elections or the appropriate [county elections office](#) where the voter resides 21 days before Election Day.
